SUMMARY OF PROFESSIONAL COMPENSATION AND REIMBURSEMENT OF EXPENSES REQUESTED

- 4. This Application has been prepared in accordance with the Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases adopted by the Court on November 29, 2009 (the "Local Guidelines"), the United States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330, adopted on January 30, 1996 (the "UST Guidelines"), the Order Pursuant to sections 105(a) and 331 of the Bankruptcy Code, Bankruptcy Rule 2016(a) and Local Bankruptcy Rule 2016-1, Establishing Procedures for Interim Monthly Compensation for Professionals [Docket No. 1334] (the "Interim Compensation Order") and the First Status Report of the Fee Examiner [Docket No. 5002] (the "Fee Examiner Status Report" and collectively with the Interim Compensation Order, the Local Guidelines and UST Guidelines, the "Guidelines"). Pursuant to the Local Guidelines, a certification of Charles Bates regarding compliance with same is attached hereto as Exhibit "A."
- 5. The Applicant seeks interim allowance of fees for professional services rendered during the Second Interim Fee Period in the aggregate amount of \$906,669.25 (the "Second Interim Fees") and reimbursement of expenses incurred in connection with rendition of those services in the aggregate amount of \$6,426.41 (the "Second Interim Expenses").

- 6. During the Second Interim Fee Period, the Applicant's personnel expended a total of 2,754.30 hours for which compensation is requested.
- 7. There is no agreement or understanding between the Applicant and any other person, other than members of the Applicant, for the sharing of compensation to be received for services rendered in these cases.
- 8. Except as otherwise set forth herein, the fees charged by the Applicant in these cases are billed in accordance with its existing billing rates and procedures set forth in the Application of the Committee to Employ Bates White, LLC [Docket No. 5480] in effect during the Second Interim Fee Period. Except as otherwise set forth in this Second Interim Fee Application, the billing rates the Applicant charges for the services rendered by its personnel in these chapter 11 cases are the same rates that the Applicant charges for services rendered in comparable non-bankruptcy matters. Such fees are reasonable based on the customary compensation charged by comparably skilled practitioners in comparable non-bankruptcy cases in a competitive national economics consulting market.
- 9. Pursuant to the UST Guidelines, annexed hereto as **Exhibit "B,"** is a schedule setting forth all personnel employed by the Applicant who have performed services in these chapter 11 cases during the Second Interim Fee Period, the capacities in which each such individual is employed by the Applicant, the department in which each individual practices, the hourly billing rate charged by the Applicant for services performed by such individual, and the aggregate number of hours expended and fees billed.

3

⁴ The revised fees set forth in this Second Interim Fee Application vary slightly from the amounts invoiced monthly because, by agreement with the Fee Examiner, time spent reviewing time entries and travel time is now billed to the Debtors' estates at fifty (50%) percent of standard billing rates. This agreement has resulted in lower fees to the Debtors' estate.

- 11. Pursuant to Section II.D of the UST Guidelines, annexed hereto as **Exhibit** "**D-1**" is a summary of the Applicant's time billed during the Second Interim Fee Period, broken down by project categories as hereinafter described.
- 12. The Applicant maintains computerized records of the time spent by all of the Applicant's professionals in connection with the services provided to the Committee. These detailed time records were submitted to the "Notice Parties" specified in the Interim Compensation Order as part of the Monthly Statements (defined below). Copies of the final detailed time records for the Second Interim Fee Period are annexed hereto as **Exhibit "D-2."**
- 13. As requested by the Fee Examiner, attached hereto as **Exhibit "D-3"** is a summary of Applicant's time billed during the Second Interim Fee Period broken down by time category and by employee.
